

Key words, general index (1/1991-2/2015)

The number on the left indicates the initial page of the original article, whereas the number on the right of the bar-line indicates the year of publication of European Journal of Pediatric Dermatology. The numbers followed by “t” refer to the page of the Practical Pediatric Dermatology; the numbers followed by “d” refer to the page of the Pediatric Dermoscopy Book. They are followed, after the bar-line, by the year of publication.
