

Key words general index (1982-2008)

The number on the left indicates the initial page of the original article, whereas the number on the right of the bar-line indicates the year of publication of *Pediatric Dermatology News* or *European Journal of Pediatric Dermatology* (since 1991). The numbers followed by *t* refer to the page of the *Practical Pediatric Dermatology*; the numbers followed by *d* refer to the page of the *Pediatric Dermoscopy Book*. They are followed, after the bar-line, by the volume year (from 1993 onwards).
