Printed by "POLIGRAFICA s.r.l." Bari

This issue of the European Journal of Pediatric Dermatology is dedicated to Carlo Meneghini, who played a significant role in the birth of the Journal. In the last issue we remembered his aptitude to understand the needs of neighbors and to help them. This now becomes the aim of the Journal, namely to understand the formative needs of the readers and to undertake to satisfy them.

Contents

3 "SOCIETÀ ITALIANA DI DERMATOLOGIA PEDIATRICA" - SIDerP
